

# OUR BEERS

At Brewhouse & Kitchen we're so dedicated to craft beer that we brew a range of core, seasonal and intriguing Brewer's Choice beers on site in our very own microbrewery, with each range as unique to the pub as our Head Brewer is.

Our **Cask** and **Keg Beers** are available in 1/3 pint, as well as 1/2 pint, pint and Stein. Ask a team member for details of our latest seasonal or Brewer's Choice brew – free tastings available!

**🍷 Beers marked with this symbol are brewed right here in our microbrewery**

**GF Beers marked with this symbol are gluten free**

# BEERTAILS

### Brewhouse Iced Tea | 6.50

*A twist on the classic prohibition cocktail. All the usual suspects: vodka, gin, rum, tequila and triple sec come together with fresh lemon and ginger beer before being topped with our house bitter to ensure it really packs a punch.*

### Michelada | 6.50

*Picture a Bloody Mary made with beer... curious? We thought you might be! Fresh lime, tomato juice, Worcestershire and hot sauces are topped with our very own IPA beer. Guaranteed to sharpen your senses, the adventurous can even super charge their new favourite drink with a shot of Tequila.*

### Espresso Brew | 6.50

*Sometimes we want a little 'pick me up' as we 'wind down'. A shot of espresso is shaken with Tia Maria before being topped with our Dry Stout. This indulgent concoction is great both as an aperitif or an after dinner drink.*
