BREWMASTER'S TABLE

SEATED 12 | STANDING N/A

If you want to have the convenience of being close to the bar but without the hustle and bustle of the crowd then the Brewmaster's Table is the one for you! Seat your guests of up to 12 around the long banquet table and dine like Royals (like in those grand old films when it takes a century to pass the salt to someone!) Better yet, this table even has power points available meaning you don't have to worry about your laptop running out of juice half way through the film you're watching whilst pretending to work - ideal!
