OUR CORE CASK BEERS

SPEEDWELL | SESSION BITTER | 3.6% | PINT | £3.65
TRADITIONAL, CARAMEL, BITTER
Consider for a moment you are one of the passengers on board Speedwell, the smaller sister ship to The Mayflower, who departed from Southampton in the summer of 1620 bound for a new life across the Atlantic, when only miles from shore, she began to leak, forcing it to find repair in Dartmouth. Weeks later the two ships set off again when only 200 miles beyond the south western tip of England discovered the repairs were not good enough, they turned back and headed for Plymouth. As the decision was taken only to progress with the Mayflower which was already full and could only accommodate half of Speedwell’s passengers, the question to you is would you stay or would you go?

ON LE TISS | GOLDEN ALE | 4.2% | PINT | £3.90
GOLDEN, HOPPY, REFRESHING
In tribute to Matt Le Tissier , AKA ‘Le God’ who, as a professional footballer with exceptional technical skills, spent his entire club career at Southampton, batting off interest from clubs such as Chelsea and Spurs and remains the second-highest ever scorer for Southampton. Matt has famously announced that he has never drunk a pint of lager in his life, preferring to drink Malibu & Coke, but we hope our Golden Ale may tempt the Sainted ‘golden boy’ and this amazing beer will be his choice from now on.

WALK THE LINE | TRADITIONAL IPA | 5.0% | PINT | £4.40
BITTER, STRONG,HOPPY
In tribute to author and Southampton resident Dave Line who knew a thing or two about brewing. Regarded as a pioneer of homebrewing during the 60’s and 70’s Dave, with his engineering and analytical brain, single handily changed the way people brewed at home by getting them to understand the technical process. He advocated the use of proper brewer’s yeast, whole-grain barley malts and whole hops, along with water treatment, sterilisation and proper cleaning of equipment – all values that our Brewers support today. His books also played an important part in the craft beer revolution in America with notable names such as Ken Grossman, the founder of Sierra Nevada, citing ‘The Big Book’ as a key text in his early development. In Dave’s honour raise a glass of this traditional IPA, which we know Dave would have loved.

WONDERSHIP | AMERICAN AMBER | 4.5% | PINT | £4.00
AMBER, CARAMEL, CITRUSY
Just one of the nicknames of the ill-fated, unsinkable, mighty Titanic which left Southampton on its maiden voyage to New York on April 10th 1912. Not only was the Titanic considered a remarkable feat of engineering, it was also replete with every modern luxury known at the time: a heated swimming pool, a Parisian café, Turkish Baths, squash courts and a gym, in addition to an array of first class restaurants and bars which served a fine selection of beers like our Amber Ale – which also ‘goes down well’.

Brewhouse & Kitchen was founded by Kris & Simon in 2013 when the craft beer enthusiasts decided to put their dream of creating a pub with a difference in to action. Each and every one of our brewpubs has its own microbrewery and brewer - and are brewing a range of keg and cask beers that are hyper-local, completely artisan, from small-batch brews, and which you won’t be able to find anywhere else! The inspiration for each of our beer names is taken from interesting facts and people that have shaped the history of the area - check out our beer stories – you may be surprised at what you learn.

BITTER, CITRUSY, HOPPY
Our Keg version of the popular Cask ‘Walk the line’ IPA. In tribute to author and Southampton resident Dave Line who knew a thing or two about brewing. Regarded as a pioneer of homebrewing, during the 60’s and 70’s Dave, with his engineering and analytical brain, single handily changed the way people brewed at home by getting them to understand the technical process. DEPARTURE POINT | TROPICAL IPA | 4.5% | PINT | £5.25
HAZY, CITRUSY, HOPPY
It was from Southampton that 6 voyages of the liner Queen Mary departed for New York City transporting 9000 GI brides and 4000 children to a new life – and on one of these crossings that the ship made her fastest crossing ever in her career of 3 days 22 hours and 40 minutes. As part of their introduction to life in the USA they were given the book ‘A War Bride’s Guide to the USA’ and included in the glossary were American terms for everyday items such as ‘cookie’ rather than ‘biscuit’ and ‘beer or ale’ rather than ‘bitter’. Raise a toast to the bravery of these women with this fruity IPA.

BEAVERTOWN GAMMA RAY | 5.4% | PINT | £6.10
PALE, HOPPY, AROMATIC
The concept was to create a juicy, tropical beer. Believe it or not, the guys at Beavertown had never brewed a pale ale when they started. Everyone at Beavertown loved spacemen and lasers so they named this brew Gamma Ray and Nick Dwyer drew the design - drawing on heavily from “Mars Attacks” and Warren Ellis graphic novels. A beer you can sit on and drink all day, rammed with juicy malts and huge tropical aromas of grapefruit and mangoes.

BREWDOG VAGABOND | 4.5% | 330ML | £4.70
PALE, PINEY, CARAMEL

GOLDEN, GRAPEFRUIT, CITRUS
Take one whiff of Magic Rock’s High Wire Grapefruit and you’ll wonder if they’ve started growing grapefruit trees in Huddersfield. Bottom line on this beer? It does what it says on the tin (can): Grapefruit, grapefruit, grapefruit!
On his early trips to Yakima, WA for hops, Ken Grossman (founder of Sierra Nevada) fell in love with the flavours and aromas of the Cascade hop. The pure and intense citrus-pine flavours became one of the signatures of Sierra Nevada, and in turn, helped define the West Coast style of brewing.

This grown up fruit salad is as colourful as the most hideous Hawaiian shirt you’ve ever seen. It’s super juicy and crammed full of fruity hop flavours that will have your mouth watering. Packed full of American hops, amplified by Peach, Passionfruit, Pineapple and Mango flavours!

Pupa is built to sit between East and West Coast styles of American IPA. Both aroma and flavour swell with a deep hit of light citrus and ripe tropical fruits. Oats create a full yet smooth mouthfeel and the fruity yeast strain lends a soft stone fruit flavour to the finish.

DELIRIUM TREMENS | 8.5% | 330ML | £5.80
PALE, SPICY, STRONG
On the label you will see pink elephants, crocodiles and dragons depicting the various stages of inebriation you might expect to go through after a few glasses. The name was invented by a tax inspector, of all people, as he became aware of slowly-approaching intoxication. This is a heavy blond beer of the tripel variety that re-ferments in the bottle. The white bottle is reminiscent of pottery ware from Cologne.
